

Dear Members, and Guests

We hope this message finds you well and would like to extend our heartfelt gratitude for your patience and understanding during the recent range shutdown. Your cooperation and support were invaluable as we worked diligently to ensure everything was addressed and brought up to the highest standards.

The club has received the necessary approvals to reopen the outdoor range. The outdoor range will be back in operation on December 15th, 2024.

Please note that all users of the range must always follow signage and appoint a Range Safety Officer if more than one person is using the facilities. This is to ensure the safe operation of the range. Special thanks to the countless volunteers who dedicated their time and effort to make significant improvements to the range. Your hard work and commitment have truly made a difference, and we are incredibly grateful for your contributions.

The CFO has requested some additional documents for the indoor facilities which we are currently preparing. We are creating the plan for the new year for a soft start and to train volunteer Range Safety Officers. If you are interested in participating, please reach out to us via the DCSC Website. [\(LINK\)](#)

As we look forward to the new year, we encourage you to renew your memberships for 2025. Your continued support is vital to the success and growth of our club. Renewing your membership ensures that you can continue to enjoy all the benefits our club has to offer, and it helps us to keep providing a safe and enjoyable environment for everyone. Please note that anyone with a valid membership prior to the range closure will receive a reduction in 2025 membership pricing.

Dawson Creek Gun and Sportsman Invitations have also now been sent out and pre-sale tickets are now available down at the Ovintiv center. They do make great stocking stuffers.

Please note that the December 18th Club meeting has been cancelled due to it being so close to Christmas and we will pick back up in January on the 15th. Please do check the DCSC Website. [\(LINK\)](#) calendar for a full list of meeting dates. All meetings will take place in the clubhouse down at the range.

We would also like to inform you about our upcoming Annual General Meeting (AGM), which will be held on February 19th, 2025. Save the date, all members are welcome and encouraged to attend and participate in this important event as we discuss the future and initiatives for the club. Please reach out if you are interested in becoming a board member via the web site or directly to myself.

Furthermore, we are planning a Volunteer Appreciation Day in the early summer at the range to celebrate and thank our dedicated volunteers. This event will be a wonderful opportunity to come together, enjoy some activities, and show our appreciation for all the hard work our volunteers have put in. More to come on a date for this.

As the holiday season approaches, we wish you and your loved ones a joyous and festive time. May your holidays be filled with happiness, relaxation, and memorable moments. Thank you once again for your patience and continued support. We look forward to seeing you at the range soon.

Warmest wishes,

Cory Stevenson, Acting President
